

# COVID-19 STUDIO GUIDELINES

1

## NEW ENTER AND EXIT

All persons will ENTER through the garage door. All persons will be temp checked and will sanitize hands prior to entering the studio. Everyone will EXIT through the front doors of the studio. (See separate graphic!)

2

## LOBBY CLOSED TO MOST

To reduce the number of bodies in the studio at one time, please plan to drop off and pick up your student! Parents will be allowed for kids who are in Kindergarten or younger. We also will allow parents of new students to accompany their child until they feel comfortable.

3

## FACE MASKS

Dancers are required to wear a mask upon entering and exiting the studio. The instructor will announce when masks are allowed to be removed. Students may choose to wear their mask for the entire class. Masks are to be worn in all common areas.

4

## WHAT TO BRING

Only bring in what you need. Dress in layers as our dressing rooms will be CLOSED. Bring a FULL, labeled water bottle, as the drinking fountains will be CLOSED.

5

## HAND SANITIZER

Hand sanitizer will be provided by BritZa Studios. Dancers and staff will be asked to sanitize their hands upon entering and exiting the dance studio.

6

## SOCIAL DISTANCING

We will do our very best to space out students during class. We cannot guarantee that all students will remain 6 feet apart at all times.

7

## CLASS END TIMES

Classes will end up to 5 minutes early during heavy traffic transition times in order to allow for fewer bodies in the studio at any given time.

8

## KEEP YOUR CHILD HOME IF SICK!

Please keep your child home if they have had contact with a confirmed case of COVID-19 in the past 14 days, have shortness of breath, cough, temperature of 100.4 or higher, chills, diarrhea, unexplained muscle pain, headache (unrelated to a known health condition), sore throat or loss of taste or smell.
